

## **IMMIGRATION LEGAL SERVICES AND COSTS**

For immigration matters, we routinely offer a fixed fee option to our clients.

Our engagement letter/client care letter should confirm your fee structure and associated terms and conditions. It is important to note that fixed fee arrangements are retainer arrangements whereby you agree to retain our services until case conclusion/outcome in order to take advantage of a discounted and pre agreed fee. Please be advised that having agreed fixed fee, if you withdraw your instructions, we will not be able to issue any refund.

In cases of withdrawn instructions or abortive work or substantial changes to original instructions, dependent on your billing model, you may be liable to pay the full fees agreed to or, at a bare minimum, all work already completed will be subject to our minimum hourly rates of £217 per hour.

### **Free Initial Telephone Discussion & Quote**

Phone us on 020 8004 5806 to discuss the details of your case, the options available to you and how our legal team can assist. We can also have a telephone or face to face Meeting to discuss fees based on your individual circumstances and give you our fee quotation.

### **One off Legal Consultation (“Consultation”)**

We provide tailor made service to each individual need. We provide initial consultation either via face to face or online, for a nominal cost of £50.00 (30 minutes). During that Consultation, we usually assess the merits of your case, and provide verbal advice you on the likely steps and take client instructions.

### **Non-fixed fees/hourly rate**

We recognise that each case is different therefore if an hourly rate is agreed then you will be charged our minimum rates of £217 per hour.

### **Important to Remember**

Sometimes there are factors which will make your case more complex and more time will have to be spent on your case. This will increase the costs of your case. Such factors include a complex or poor immigration history, multiple applications (for example for other members of your family), information coming to light which was not known to us at the start of your case, complicated or large amounts of documentary evidence particularly relating to your finances or immigration history, lack of prompt instructions and delay in providing documents which result in repetition of work or additional work. If your case becomes unexpectedly more complex than had been anticipated, we will advise you and provide an updated cost estimate.

Our fixed fee includes:

- All the work until we receive a written decision from the Home Office, if this was an application to the Home Office or the Entry Clearance Officer.
- If it is an appeal, then it would include costs of all steps and covers one hearing fees excluding Barrister's costs until we receive decision of the tribunal.
- If it is a judicial review, then all the steps taken on a paper application until a decision is received from the Upper Tribunal or the High Court.

Our fee does not include:

- Home Office / Visa fees and any Premium Service supplements
- Documents scanning and uploading charge which starts from £250.00 for each applicant
- Immigration Health Surcharge
- Court/Tribunal fees
- Barrister fees
- Expert report fees
- Cost of interpreters if required
- Translations
- Attending any Home Office interviews
- Housing Reports for Immigration purposes
- DNA tests where appropriate
- Fee for biometric data for a biometric residence permit
- Any other cost related to your matter that are payable to third parties

The professional fees to be paid at the commencement of work. The official fees must be submitted with application or it may become invalid.
